Dear [REDACTED]

Bruce Parrott recommended that I contact you regarding a class that I am teaching this coming January. It's on contemporary U.S./Soviet relations and it involves my bringing a class of 20-25 students to the D.C. area for the last three weeks of January. These are undergraduates who, for the most part, are no more than casual students of the subject.

It would be a certain highlight of our trip if we could come out to discuss these matters with you. If you'd just spend 15-20 minutes outlining your job at the Agency, we could spend the rest of the hour on questions and answers. Any date and time in the week of January 21 would be fine by us.

Thanks for considering this request. I look forward to hearing from you.

Best Regards,

*Shelton Williams*
